

Version control after SA03

Circulated with this newsletter will be the latest Version Control Document as some documents have been updated since our Substantial Amendment and it is important that everyone is using the most recent versions.

Please ensure that any patients you randomise have read **Participant Information Sheet v3.0** and signed **Consent Form v1.2**.

Participants must receive v3.0 PIS, regardless of when they were invited.

Any participants who have not received the latest PIS will need to be re-consented on PIS v3.0.
