Staff Changes

Please ensure to notify us timeously of any RELIEF site staff leaving the practice or ceasing work on RELIEF, and send us an updated delegation log with their stop dates added and signed off by the PI.

Eligibility

Participants who only use SABA (and not ICS) can be consented if they are prescribed ICS for at least 4 weeks before the eligibility form is completed.

Change of Status!

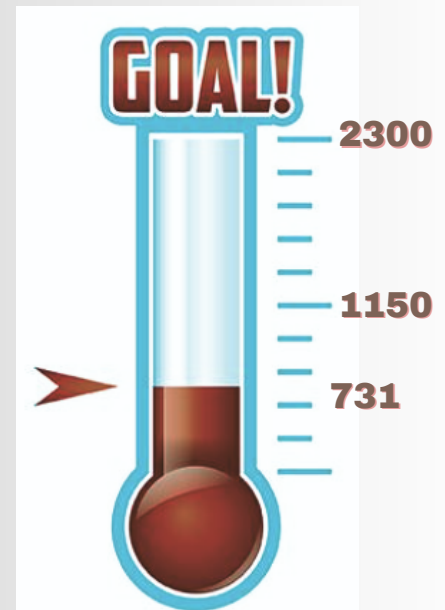

Please notify the RELIEF team of any change in trial status within 24 hours. This includes change in trial status for any reason, such as patient or GP choice, medical reasons, or death of the participant. The change of trial status form must be completed in arm 1 on REDCap.

Contacting RELIEF

For any and all RELIEF queries, please ensure you are only contacting **relief@nottingham.ac.uk**.
