

Important Reminders

eConsent!

Please ensure to check participant screening number against participant information before sending the eConsent link and properly review submitted forms before countersigning.

PI Protocol Signature Page V3.1

This reminder is for sites to please send us the current and signed copy of the PI protocol signature page as soon as possible so we can update our records. (Please disregard if you have sent for your site)

Trial Process!

Please ensure to follow the trial process checklist attached in the email with this newsletter for trial activities and make contact with the study team if further guidance is required.

DOCMAIL!

When sending out patient invites via docmail, please ensure to anonymise patient details on first entry and enter correct GP details before sending for approval.

Contacting RELIEF

For any and all RELIEF queries, please ensure you are only contacting relief@nottingham.ac.uk.

This should be your first point of contact for anything trial-related.
